3. Congratulations! You are now a member of Ezine Articles!

The screenshot displays the 'Ezine @Articles Author's Area' dashboard. At the top left, the Ezine @Articles logo is shown next to an image of a fountain pen and a notebook. The top right corner features a 'Welcome' message and 'Last login was less than 1 hour ago'. A navigation menu includes 'Article Manager', 'Account Manager', 'Profile Manager', 'Author Tools', 'Author Resources', and 'Social Media', along with a search bar. The main content area is titled 'Submit an Article' and includes a link for 'Need help submitting your article? Show audio help buttons.' and a 'LEARN HOW' button. A central white box with a red border contains the message: 'Congratulations! You are now a member of Ezine Articles! You can submit your first article or look at some of the tools and resources that are available.' Below this, there are sections for 'Select A Category' (with a dropdown menu), 'Article Title' (with a 'Get Title Suggestions' button), and an empty text input field. A sidebar on the right contains a help icon and some partially visible text.
